IACC 
Apex Bilateral Chamber for Indo-US business

INDO-AMERICAN
CHAMBER OF COMMERCE

ABOUT IUSTIS 2026

The Indo-U.S. Trade & Investment Summit (IUSTIS) is the flagship initiative of the Indo-American Chamber of Commerce (IACC), created to strengthen bilateral business partnerships by fostering dialogue, innovation, investment, and strategic collaboration.

Launched in 2022 as a virtual platform, the event has rapidly evolved into a premier in-person business forum. Previous editions have featured insightful sector-focused sessions, expert-led discussions, and vibrant business expos. The most recent edition attracted over 400 delegates and showcased 30+ leading companies, making it one of the most impactful Indo-U.S. business networking platforms in the region.

ABOUT IACC

Established in 1968, the Indo-American Chamber of Commerce (IACC) is the apex bilateral chamber dedicated to promoting economic engagement between India and the United States.

Founded by Ambassador Chester Bowles along with distinguished industry leaders including S. L. Kirloskar, Harish Mahindra, H. P. Nanda, Ambalal Kilachand, A. M. M. Arunachalam, Frederick Fales, and John Oris Sims, IACC has played a pivotal role in strengthening Indo-U.S. commercial relations for over five decades.

With a geographical presence of 15 offices pan India, IACC represents a diverse membership base of 1,500+ organizations and professionals across India. Its mission is to promote trade, investment, technology transfer, and strategic partnerships through impactful initiatives and industry engagement.

CONFERENCE

Engaging Conversations. Actionable Insights. Meaningful Connections.

The Conference at the 5th Indo-U.S. Trade & Investment Summit 2026 will feature **35+ distinguished speakers** from India and the United States, sharing their expertise, insights, and perspectives on carefully curated themes and topics relevant to today's evolving business landscape.

The conference will bring together industry leaders, policymakers, innovators, trade experts, and business strategists as keynote speakers, moderators, and panellists. Through engaging keynote addresses, panel discussions, and interactive sessions, participants will gain valuable insights into emerging industry trends, market opportunities, policy developments, innovation ecosystems, and best practices shaping the future of business and trade.

Designed for business leaders, entrepreneurs, decision-makers, and middle-management professionals, the conference will provide actionable knowledge and strategic perspectives to help organizations strengthen their market position, align business and marketing strategies, identify growth opportunities, and maximize business potential in both Indian and U.S. markets.

MINI EXPO

A Platform for Visibility, Partnerships and Market Expansion.

As a dedicated component of the **5th Indo-U.S. Trade & Investment Summit 2026**, the **Mini Expo** will provide a unique platform for MSME members to showcase their products, services, technologies, innovations, and business capabilities before a distinguished audience of industry leaders, investors, buyers, policymakers, trade bodies, and the broader business community.

The Mini Expo will facilitate direct engagement between Indian businesses and U.S. state economic development agencies, creating opportunities for trade partnerships, investment collaborations, technology transfer, and market expansion. By bringing together key stakeholders from both countries, the Expo aims to strengthen business linkages and support greater participation of MSMEs in international markets.

BUYER–SELLER MEET (BSM)

Enabling Strategic Sourcing and Supply Chain Partnerships

The **Buyer–Seller Meet (BSM)** will serve as a focused business matchmaking platform, connecting Indian manufacturers, exporters, and solution providers with U.S. companies through structured and pre-scheduled B2B meetings. The initiative is designed to facilitate meaningful commercial engagements, foster long-term business relationships, and create new avenues for bilateral trade and investment.

The curated BSM will provide U.S.-based companies with direct access to leading Indian manufacturers, suppliers, exporters, and technology providers, enabling them to explore cost-effective sourcing solutions, strengthen supply chains, and evaluate innovative products, technologies, and manufacturing capabilities.
